USDA Starts Heavy Medfly Quarantine

A quarantine imposed by the federal government to control the spread of the Mediterranean fruit fly will be imposed on Palm Beach County effective June 1.

Under the USDA order, soil, plants, and any other possible fly carrier will not be shipped out of infested areas unless the produce, etc. has been found free of infestation after inspection.

The quarantine was imposed in this county after the Lezathatche area and the Glades were found to be lightly infested.

Other single flies have been found in and near the rich citrus belt in the central part of the state. While the quarantine applies to all Palm Beach County, only infested areas will be under strict enforcement of the quarantine.

Assistant County Agent H. L. Speer said yesterday that the Glades is still moving anything they have. Even peppers, which are reported to be susceptible to the fly, are being moved on a limited permit and are being shipped to certain areas where there is no danger of carrying the fly with it.

Pahokee Boat Club Plans For Ski Show

The Pahokee Boat Club met Tuesday night and made plans for a ski show and contest to be held July 4 at the Pahokee waterfront. The show and contest will be strictly for amateurs of the Glades Lake residents. There will be no age limit.

Included in the contests will be ski jumping, slalom contests, and novelty riding. Joe Cherry is Commodore and urges everyone to attend the contests, which will be held every Tuesday night preceding the fourth to discuss and make plans for the event.

Girl Scout Council Needs Civic Support

The Girl Scout fund raising drive, headed by Dr. R. J. Allen, vice president of the Palm Glades Girl Scout Council, has been underway since May 21 and will continue to June 11. Assisting in the drive are members of various clubs in the city including Mrs. Lorenzo Connelly, Larry Royal, Howard Payne and Mrs. William Wall.

The purpose of the drive is to raise the local Scout fund to \$1000. The local Scouts number about 20 adults. The advantages are many in belonging to the council and the girls are for the first time eligible to attend the Girl Scout Camp Margery Daniels at Jupiter.

Plans for next year are to organize a scouting program in Ocoee Center and also to provide for the colored, with leadership training given for the leaders. Everyone is urged to donate to this drive when the representative calls upon you. If you wish to donate and have not been contacted call WY 6-3223.

Hurricane Gate Four Will Close June 4

Notice was given this week by E. E. Kirkpatrick, District Engineer for the Jacksonville office, Corps of Engineers, of the temporary closing of hurricane gate four beginning June 4.

The gate, located near the entrance of the North New River and Hillsborough canals into Lake Okechobee will be closed for de-watering and for dredger repairs during the approximate period of June 4 - 9. Navigation interests are urged to take this announcement into consideration in planning their operations. Every effort will be made to re-open the hurricane gate to navigation at the earliest possible date, Kirkpatrick said. Late information regarding re-opening of the gate can be secured at any time from the area engineer, Cleveland.

Legion Installation Will Be Held June 5

Everglades Post 20 of the American Legion will hold a dinner and installation of the new officers at the Legion hall June 5 at 8 p.m.

New officers for the Legion and Auxiliary will be installed in their offices for the coming year.

Five Injured Here In Two Accidents

Two persons were injured Sunday in two separate accidents on SR 15 and SR 80 according to Highway Patrolman R. G. Russell here.

In one accident a motorcycle being ridden by William Davis, of West Palm Beach, attempted to pass a sedan going south on SR 15 one mile north of Belle Glade.

Seeing that there was no room to pass because of an on-coming car, Davis cut back into his lane and struck the rear of a sedan. The impact threw his passenger, James Johnson, 16 of Belle Glade, over the sedan. Johnson suffered a fractured spine, skull lacerations and Davis received a fractured right wrist and concussion. Both boys were taken to Belle Glade Memorial Hospital and later transferred to Good Samaritan Hospital, West Palm Beach, where they remain in serious condition.

The driver of the sedan, Andrew R. Holmes, 40-year-old negro from Everglades Camp, Pahokee, was not injured and was not charged.

Later Sunday a second accident occurred two miles east of Belle Glade on SR 80 when a sedan driven by Boyce B. Davis, 20 of South Bay, was struck from behind by another sedan which failed to observe Davis parked car.

The second car, driven by Freeman L. Burk, 30 of Ocoee Camp here, added 40 feet before ramming the Davis sedan which was knocked 20 feet further into trees lining the right side of the road.

Davis' wife, Jean, 18, Burk's wife, 34, and Davis suffered abrasions and lacerations and were admitted to Belle Glade Hospital for treatment and observation. Burk suffered minor injuries.

Chamber Member Drive Is Slated

A Chamber of Commerce membership drive will be held one day next week, which is as yet undecided, when a five-man committee, headed by Earl A. Lindrose, will make personal visits to those members who are as yet not renewed.

Other committee members are Victor Malberg, George Graber, F. L. Harris and George Hurby.

Mrs. Edwina C. Young, executive secretary, said 157 members have renewed their membership through billings and the contact membership drive should bring the membership up to last year's strength.

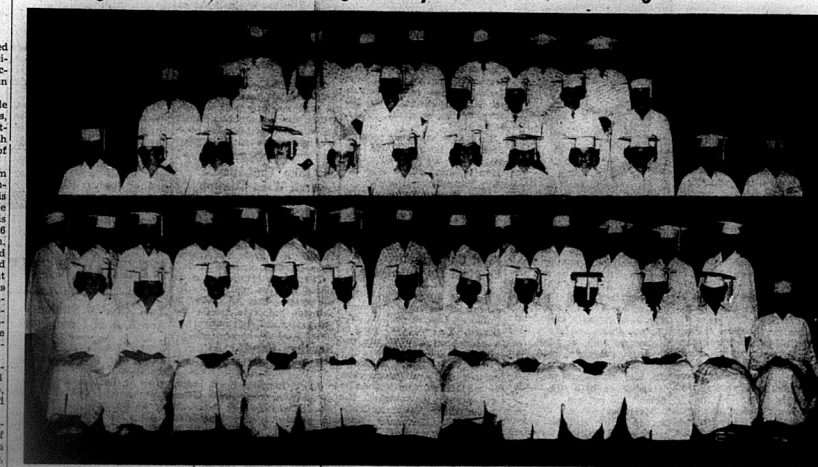

South Bay Poisoner Of Dogs Sought By Police

Police Chief Marvin Davis at South Bay received a letter this week from Mrs. Charles Sliom, executive advisor to the Bay area and called the chief's attention to the fact that a magazine publication offers a \$250 reward for the conviction of a dog poisoner in any part of the nation.

"It is very hard to catch these people," she wrote, "they are always shy, and, of course, for a conviction you must have a witness ready to testify that is hard to get. But the crime is such a horrible one that I am sure the police will try to catch them."

The group points out that the annual Glades organizations and citizens to join hands in this effort to stimulate the economic progress of the Lake Okechobee area. The group points out that the many Glades residents of the Glades have remained obscure while other areas have capital-

High School Students Honored At Class Night Ceremonies May 25

Nearly 30 high school seniors and underclassmen received recognition for their scholastic accomplishments in a class night ceremony at Belle Glade High School May 25.

Most of the awards were announced and presented by Principal Frank O. Hobson. A graduating senior class also presented their annual ski using as their theme a Roman motif complete with Caesar, Janquet and Roman attire.

Recognition was given seniors for their scholastic accomplishments and awards were made to underclassmen for citizenship leadership and achievement.

Janice Cole, 16, valedictorian won the Rotary Club trophy for a four year average of 95.783. Receiving medals were Dorothy Irvin, class salutatorian, and Glenda Dell for the highest average in her senior year.

Miss Dell also was awarded the general average trophy for English and a \$10 check from Mr. and Mrs. Ralph Freese.

A Unified Glades Community Effort Aim Of New Group

Claude L. Shirley of Pahokee was elected Chairman and Alvin Crew of South Bay Secretary of the Glades Committee of the Palm Beach County Resources Development Board at an organizational meeting held at the Belle Glade Elks Club Wednesday night.

The chief objective of the group, as expressed, is to present a united front, to attract more industrial and business to the area and to cooperate fully with the various activities in the area.

To carry out these general objectives an Aims and Objectives Committee is being formed by Chairman Shirley and will meet at the Elks Club on Wednesday night, June 6th at 8 o'clock.

This Committee will be held to a general meeting to report on this effort to stimulate the economic progress of the Lake Okechobee area.

Elks Barbecue-Dance Here Tomorrow Night

Belle Glade Elks will be hosts at a barbecue and dance at the Lodge home tomorrow night, June 2nd.

Serving will begin at 6:30 and dancing from 9:00 'til 1:00. All Elks and their families and their guests are cordially invited.

Local Elks attending the State Convention held recently at Ft. Myers were Harold Zump, Frank Dooley, August Kirchman, A. E. Kirchman, James Baldwin and Woodrow Bush.

The convention was recorded as the Elks Club on Wednesday night, June 6th at 8 o'clock.

The convention was recorded as the Elks Club on Wednesday night, June 6th at 8 o'clock.

Glades Open House Will Be Featured At BPW National Convention In July

One of the outstanding features of the Nat'l Convention of the Business and Professional Women's Clubs scheduled in Miami Beach June 30 to July 6, will be an extensive exhibit describing the varied agricultural and industrial activities of western Palm Beach County.

"Glades Open House" as the exhibit will be called is under the direction of Mrs. Uebera Canthurs, president of the local club and Miss Sara Lee Creech, chairman of the national group.

The Palm Beach County Committee highly commended the club for making this effort to publicize the Glades and gave from their publicity fund \$200 for the exhibit.

A donation of \$200 was received from the Bank of Pahokee believes in—whenever Glades Clubs and communities join in promoting the entire Glades area the Bank of Pahokee is enthusiastically behind such promotion."

One section of the exhibit is being arranged by Dr. R. V. Allison, Everglades Experiment Station, which will show the various activities of producing Glades Clubs and communities join in promoting the entire Glades area the Bank of Pahokee is enthusiastically behind such promotion."

Coffee Hour Slates Panel On Bond Issue

The June Chamber of Commerce coffee hour will feature a panel discussion of the proposed civic bond issue here with George Russell of the consulting engineer firm of Russell and Axon, the city's engineers.

The discussion will be held at Bell's Restaurant at 9:30 Tuesday with Luke Buck Co. sponsoring the hour.

City Manager Clarence Robinson will also participate in the panel. All citizens are urged to attend this meeting since the matter has vital importance to everyone.

Crews Move North As Season Slumps

Thirty-five migrant labor crews totalling 2,500 workers moved from the Glades area during the past two weeks for assignment in north Florida and other northern states according to Lee L. Smith, manager of the local employment service office here.

The crews were signed for work in North and South Carolina, Delaware, Maryland and Virginia.

The work left in the season is primarily celery and corn harvest with celery supplies on the south end running well into June.

Mrs. Young Named To FCCEA Board

Mrs. Edwin C. Young, executive secretary of the local Chamber of Commerce, was elected to the executive association of the state Chamber of Commerce in the Chamber's 33rd annual meeting in Elmore Village, north of Daytona Beach May 25-27.

Mrs. Young's election marks the first time a woman has served as a director of the organization.

The sessions included panel discussions, banquet and business meeting with over 100 members and their families attending.

During the business meeting the group elected Richard W. St. Lauderale as president; Forrest Breckinridge, Sanford, vice president; Lyle Weager, Pompano Beach, secretary; treasurer: Louis T. Marsh, Daytona; John Bryson, Lakeland; Jerry Marvin, Ft. Walton, C. B. Garland, Leesburg and Mrs. Young as directors.

The group announced Silver Springs as the site of their next meeting Nov. 9-10-11 when they will travel to Jacksonville for the 11th for formal dedication of the new state Chamber of Commerce building.

Mrs. Young urged all past presidents and directors to make plans now to attend this dedication.

Powers Infant Buried At Port Mayaca Monday

Gravestone services for Ethel Powers, infant daughter of Mr. and Mrs. James Thomas Powers of Belle Glade, were held Monday at 2 p. m. at Port Mayaca Cemetery with Rev. W. J. Anderson officiating.

The infant died shortly after her birth May 27 at the Everglades Memorial Hospital, Pahokee. Wetherington Funeral home was in charge of arrangements.

County Water Problems To Be Aired Saturday In Public At Mounts Office

Gov. Collins' Water Resources Study Commission, under the chairmanship of Herbert G. and George Wedgworth is holding hearings at the County Agricultural Building on Military Trail on June 7th at 10:00 A. M. to develop fully the water problems of Palm Beach County.

Everyone interested in the solution of the many problems of water conservation and use in this county are urged to attend.

A program covering a dozen or more subjects will be discussed by selected persons in five-minute assignments. General discussion then will be invited by the audience on each subject previously discussed and any additional ones suggested by the public.

The purpose of assimilating

AIR CONDITIONER Enjoy cooled, filtered air for less than you think with Buick's It's a genuine Frigidaire

WHERE BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

Lake Buick Company, Inc.

364 So. Main Street Phone WY 6-2088 Belle Glade, Fla.

How about finding out for yourself what a bargain this Buick SPECIAL is. What a joy to command, what a sweetheart to drive. Come in this week—we'll be looking for you, to make your dreams come true.

New Advanced Variable Pitch Dynaflow is the only Dynaflow Buick builds today. It is standard on Roadmaster, Super and Century—optional at modest extra cost on the Special.

AIRCONDITIONING at a COOL NEW LOW PRICE 1 week, three, 24 months. Get 4-Season Comfort in your new Buick with genuine FRIGIDAIRE CONDITIONING

Best Buick Yet

Lake Buick Company, Inc.

364 So. Main Street Phone WY 6-2088 Belle Glade, Fla.

At a Price that'll open Your Eyes

A DREAMBOAT—that's what they're calling this stunning Buick SPECIAL. And in all truth, it is a sight for starry eyes.

But, if you think that owning a Buick is just something to dream about, here's some happy news.

Eye-catching, sight-catching as it is, this beauty is built for stirring action—and priced the same way.

To sum it up quickly: For only a few dollars more than you'd pay for the well-known smaller cars—for even less than some models of those very same cars—you get all the big-car power and performance, the pace and the grace that are Buick for 1956.

And yet, it's far more than a tempting price tag that has Buick outselling every other

car in America except the two well-known smaller ones.

It's the taste and distinction of Buick styling. It's the wallowing thrill of Buick power, surging from the new 322-cubic-inch V8 engine.

It's the level buoyancy of Buick's ride, the finger-tip ease of its handling, the sheer luxury of its interior comfort and roominess.

Here, too, if you want it, is Buick's advanced new Variable Pitch Dynaflow. With blazing getaway and amazing gas economy, it's the last and thriftiest word in modern transmission.

Local Boy Chosen For JRC Training

Leonard Higbee, high school sophomore and president of the local Junior Red Cross, was selected to attend the American Junior Red Cross Area Training Center, this summer. The camp is in Green Cove, Lauder, North Carolina, August 21 - 30.

Only two Junior Red Cross members were chosen from Palm Beach County this year, a boy and a girl. Selections were based on the merits of the individual and the amount of work he has done this year in Junior Red Cross.

The local Junior Red Cross council, under the competent leadership of Mrs. Ruth Langworthy, is very proud of this organization, and of the honors their president has taken.

Leonard will be vice president of the county council next school year, beginning in September.

Local Garden Clubbers Attend District Meet

Garden Club presidents' conference of district 10, was held Saturday at the Community building in Jensen Beach with luncheon at Edgewater.

Mrs. John Parkinson, Daytona Beach, state Federation president, and Mrs. Graham King, Delray Beach, director of district 10 were among those attending. From this area attending the all day meet were Mrs. Herbert Beck, incoming president, representing Belle Glade Garden Club, Mrs. Lennie Warren, and Mrs. Ivan Van Horn, Mrs. Paul Kirkman, president and Mrs. Walter Roth, Chosen Garden Club and Mrs. A. F. Hopson, president of Belle Glade Garden Club.

Water Dept. Personnel Attend Short Course

Two members of the Belle Glade Water Department left May 27 to attend a five-day short course for water plant operators which was conducted by the general extension division of Florida State University and the University of Florida.

Plant operator James Motes and Water Superintendent Clarence Throp will study general maintenance and operation of a water plant and hear information on the new methods developed for plants. They are expected to return late tonight according to City Manager Clarence Robinson.

JOHN M. DOSS, JR., spots "trouble" on telephone lines with the "whistone bridge" — a highly sensitive measuring instrument that tells him how the trouble is from the central office. Off-the-job, John's active in church and fraternal work. His hobby is boating.

JOHN M. DOSS, JR.

Meet the man who beats "trouble" to the punch

Many telephone "troubles" never happen, thanks to John M. Doss, Jr. John's a test deskman for Southern Bell. With the help of intricate electronic equipment in the central office which can spot trouble miles away, he tests telephone lines to make sure they stay in good working order. Often he finds causes for trouble on a line and has them corrected, even before your service is affected. Keep 'em talking, is John's motto.

And John's not by himself. He and some 65,000 other trained Southern Bell people in all kinds of jobs — linemen, cable splicers, operators — are working to give you good telephone service 24 hours a day.

Southern Bell Telephone and Telegraph Company

Senior To Attend 4-H Short Course

Miss Bonnie Williams, local high school senior was selected one of nine girls in Palm Beach County to attend the 4-H Short Course in Tallahassee in June. Last year, she was also chosen for the course for her outstanding work in the club.

The course includes a daily morning assembly at which well known speakers will talk. Following assembly they will follow to various classes. Special activities are planned for the afternoons, including sightseeing trips to the capitol and to Wakulla State Park.

The evenings are filled with public speaking contests, fashion shows and the installation of state officers for the coming year.

The group will leave West Palm Beach by train June 11 and return June 16.

More Bids Received For Work On State's Turnpike Development

Troup Bros, Inc., of Miami, was the apparent low bidder this week for the construction of Kings Highway, a feeder road in St. Lucie County for the Sunshine State Parkway. Thomas B. Manuel, Chairman of the Florida State Turnpike Authority, announced.

Troup's bid was approximately \$2,000 under the low bid of the five other construction firms which entered the bid. Troup bid was \$577,643.50.

The work consists of grading, drainage, roadbed, rock base and asphaltic surfacing of Kings Highway a distance of 10.62 miles from the northern terminus of the Sunshine State Parkway to connect with U. S. 1 just south of the Indian River County line.

A single bid was received also for the toll plaza at West Palm Beach and Jupiter Interchange in Palm Beach County, Stuart Interchange in Martin County and the northern terminus at Fort Pierce. The bid of \$209,944 was entered by B. A. Roemer of Belle Glade.

Only bidders for the construction of toll plaza at the Turnpike's southern terminus, Hollywood and State Road 84 interchange, was Avanti Construction Co., of Miami. Its bid was \$306,000.

Betas Fund Drive For Mental Health To End Here June 1

The Beta Sigma Phi Society met at the home of Mrs. William Graber, Thursday evening with Mrs. Ted Roman as co-hostess. Mrs. Graber, chairman of the Mental Health Drive which began Thursday, reported all members had been given kits and territories and the drive would continue until Saturday. She also reported that the members would sew at the hospital the last two weeks in June.

Reports from various chairmen were heard. Mrs. Milton Carpenter, social chairman, reported that Mrs. John Munroe had been named the secret sister chairman and Mrs. Glenn Ahling chairman in charge of sick. A tentative schedule was also given for the monthly social calendar for the coming year as follows: June 10 — sneak-away party; July 4 — covered dish chicken supper; Aug. 4 — steak fry; Sept. 6 — sewing party; Oct. help with Hallow'en Carnival; Nov. — fall formal; Dec. — Secret sister party and Christmas party; Jan. — progressive dinner; Feb. — Valentine Party; March — open; April — Mother's Day Tea; May — spring formal.

Mrs. Louis Kirchman, ways and means chairman, reported the doll raffle would be held Dec. 8 and tickets would be sold at booths two weeks previously.

The group voted to donate \$10 to the Girl Scout Fund Drive.

Exemplary degrees were conferred upon Mrs. Lorenzo Connell and Mrs. John Payne.

The program on "Art and Amateur" was in charge of Mrs. Clyde Clayton and Mrs. William A. Wooten, who presented Mrs. Harold Riedel. She spoke briefly on art and showed several of her paintings. Mrs. Francis Cross was presented and spoke

on the amateur part, "do-it-yourself" trend and showed examples of local hand made work, violins, ceramics, crochet work and dress making.

Preceding the meeting Dr. Robert C. Allen, vice president of the Girl Scout Council spoke briefly to the group on the drive for more funds, the goal for the local group to be \$1800. He passed out literature and told of the Girl Scout Camp which has been recently acquired for a site in Jonathan Dickinson Park. Fund raising drive cards were passed out to be returned to Mrs. Connell who is working with Dr. Allen on the drive.

Spring Season Is Closing: Lewis

The waning spring season is seen drawing to a close at state farmers' markets around the state according to L. H. Lewis state director, in his weekly report.

a rapidly decreasing volume at the Pahokee market is seen. C. M. Todd, manager, said beans and radishes will be in light volume this week while celery will be in fair supply along with a good volume of corn.

Peppers in light supply are available at Ft. Pierce State Market and a fair volume of good quality watermelons are loading at fields and team tracks in the areas of Vero Beach, Stuart, Ft. Pierce and Indiantown. The spring tomato season is expected to wind up shortly.

Volume is on the decline at Wauchula and only a few farmers will have cucumbers this week and tomatoes are also rapidly reaching a point where poor quality will make farmers abandon their fields. No regularly scheduled auctions will be held this week.

The season is about over at Immokalee. Only 23,843 packages moved through the market last week with gross sales exceeding \$20,600. Watermelons and tomatoes led in volume.

WEEKLY BASE BALL SCORES

Coast-Glades League

lost their first game of the '56 season to Melbourne last Sunday 8-4. Sam Crisman of the Ramblers got the loss while Peghiny was the winning pitcher.

Crisman started on the mound but gave way to Rigidon in the third after Melbourne scored five runs on three hits and four wild pitches. The Ramblers got all their runs in the first inning on three hits and one wild pitch.

The Ramblers will travel to Clewiston for their fifth game of the season. Both Clewiston and the Ramblers have a 3-1 record. The local team will leave from F. L. Harris Service station at 1 o'clock Sunday.

Cox (WP), Ward (3) and Sugar Corp. will tell the story of growing sugar in Palm Beach County.

The convention in Miami marks the first time in the history of the Business and Professional Women's Club that the annual meeting has been held in Florida.

Constable B. F. Prescott Tuesday for Hendersonville, N. C. to return two of three youths wanted here for breaking and entering and grand larceny at Jacob Graber & Sons packing house.

Preit has warrants for Benton Williams, 17, and Leman Johnson, 20, both of Belle Glade. A third party, a 13-year old boy was not apprehended with the other two.

The constable said the two were charged from an automobile for a routine stolen car check. When one of the boys called a local auto dealer to confirm that the car was clear the local firm notified police of the boys' whereabouts.

The charge was from an act committed May 17 when the three allegedly made entry to vending machines and broke into vending machines and stole files.

Meanwhile police in several states have been alerted for the 13-year old youth who is believed headed for Michigan.

Work Continues On Case Of Missing \$1,500 Here Police, Chief Charles Goodlett took a suspect to Miami for a lie detector test Tuesday in connection with \$1500 reported missing April 16 by Burl Thomas, local shop keeper.

Normal Robinson, the negro suspect, is one of several being asked to take the test as police continue to search for clues in the case of the missing money.

Malathion Being Used For Medfly Control In State The insecticide MALATHION now being used to combat the Mediterranean fruit fly that threatens Florida's vast citrus and vegetable industries, is a highly effective insecticide having low hazard for man and animal.

The U. S. Department of Agriculture calls Malathion "one of the safest insecticides to handle," and this safety factor has contributed to its effective use by commercial growers and home owners in a multitude of sprays and dusts.

Malathion has already proved effective against the Mediterranean fruit fly in Spain, the Mexican fruit fly in the Texas border, the Oriental fruit fly in Hawaii and the Mediterranean fruit fly in Hawaii. The spray being used by agricultural authorities combines Malathion with protein hydrolyzate.

The protein is a powerful attractant for the flies and the Malathion kills them. Millions of pounds of Malathion insecticides are used each year and much of this by home owners themselves. Malathion is federally registered for controlling more than 80 insects on 45 crops.

It is highly effective in controlling insects on citrus and vegetable crops as well as house flies, mosquitoes, fleas on dogs and cats and mites on poultry.

Actually, property owners should welcome the opportunity to have their property sprayed with Malathion. Flies, mosquitoes and many pests infesting the plants on the property will be controlled along with the Mediterranean fruit fly.

Property owners should have no fear that Malathion will harm their dogs and cats since the material is federally registered and widely used for direct application to the animals for flea control. Malathion is recommended for spraying plants, garbage cans, barbecue areas and places around the property that is often infested with flies, mosquitoes and other bothersome insects.

Federal and state agricultural authorities will carry out an eradication program spraying all infested areas at regular intervals. However, they strongly urge property owners to go ahead and spray their property at 2-week intervals. Any flies killed by them will help tremendously to decrease the Mediter-

anean fruit fly population and aid in the complete eradication. For more information check with the office of the county agent and the U. S. agent or nearest experiment station.

U. S. Wants Personnel For D. C. Police Dept. The Congress of the United States has increased the authorized strength of the Metropolitan Police Department, Washington, D. C., to 2,500 men. The present strength of the Department is 2,237. Qualified men must be applied to at once.

The entrance salary for these Policemen positions is 4,193 a year. To qualify, applicants must pass a written test and be in excellent physical condition. They must have reached their twenty-first birthday but must not have passed their thirty-first birthday on the date of appointment.

Further information and application forms may be obtained at many post offices, or from the U. S. Civil Service Commission, Washington, D. C. Send applications to the U. S. Civil Service Commission in Washington. They will be accepted until further notice.

Model Home In Lyons Park Subdivision The first home in Lyons Park subdivision being developed by Knight & Co. Ltd., Pahokee, was sold this week. The model home was the first of 30 new homes which was finished three weeks ago.

The home on NE 1st St. was bought by Mr. and Mrs. Warren E. Manning, produce buyer for A&P Stores. The Mannings, from Long Island, N. Y., will make their home here this fall.

Thurmond Knight, builder, stated that the homes will be built in the owner's specifications.

U of F Receives Grants For Cancer Research Grants totaling \$10,452 for cancer research have been announced for the University of Florida.

Both projects will be headed by Dr. Francis E. Ray, director of the University's Cancer Research Laboratory.

The Damon Runyon Memorial Fund released \$11,000 for research in chemotherapy, and the National Institutes of Health granted \$8,452 for a study of the localization of

radio-active compounds. Commencement ceremonies are scheduled for the Florida Dr. Martin Tenor, Dean of Gymnasium at 9 a. m. The back of the College of Arts and Sciences laureate address will be given at the University of Alabama by the Rt. Rev. Henry Louth, who will deliver the commencement address of the South Florida address at the University of Episcopal Diocese at 8 p. m. Florida June 4, President J. Sunday, June 3, at Florida. Wayne Reitz has announced.

LOCAL 'FIREMEN' control an apartment house blaze May 18 with the aid of the Howe fire truck, recently acquired by the city. The frame apartment at the left was completely wrecked and nearly 20 families were homeless. The CBS apartment at the right was damaged by heat and smoke; however, the nonchalance of the second floor tenants gives an accurate picture of their danger. With the aid of the truck and other new equipment the blaze was extinguished with a minimum of loss.
